	Monthly Customer Charge:			\$9.95		
	Energy Charge:			11¢ per KWH		
	<p>This average price for electricity above includes Energy Charge, all recurring charges from your Transmission Distribution Utility (TDU) and the monthly base charge of \$9.95. The average price excludes state and local sales taxes, the Miscellaneous Gross Receipts Tax Reimbursement. Except for price changes allowed by law or regulatory action, this price is the price that will be applied during your first billing cycle; this price may change in subsequent months at the sole discretion of American Light & Power. Please review the historical price of this product available at www.americanlp.com/documents/history.pdf or call 1-855-485-4258. Some Customers will be subject to a special charge for underground service or similar charge that may apply in a part of their Transmission Distribution Utility service area that is not included in the total average price for electric service stated above. The price you pay each month consists of the TDU recurring charges and TDU surcharge along with the variable rate in effect for your monthly billing cycle.</p>
